

SIMSBURY  
**UNTAPPED**  
A RECOVERY-FRIENDLY FESTIVAL

**FEATURING CHARLIE DIAMOND**

Wrestled an alligator, fought a tornado, and been everywhere twice. Ran away with the circus when I was 16 and spent a few years as a rigger. Started writing songs when I was hiking the Appalachia trail. Thoroughly convinced I've been reincarnated and landed in the wrong decade. I write a lot about the mountain I grew up on. Spend a lot of time in corners talking to myself.

**SEPT. 25TH | 1PM - 5PM**

Please feel free to bring your own lawn seating to enjoy the entertainment throughout the afternoon. No umbrellas, tents, or canopies. Food and Drink: No outside food or beverages permitted, there will be food vendors on-site.
